

# VICKI WEBB-NELSON MEMORIAL SCHOLARSHIP

The Vicki Webb-Nelson Scholarship was set up in 1969, and in June 1970 was named after Vicki Webb-Nelson, the daughter of Past Department President Sandy Webb (1972-73). Each year, the Auxiliary to the Veterans of Foreign Wars pays tribute to the memory of this sister by offering a Scholarship to a qualified High School Senior who would like to further their education.

## **VALUE:**

One Scholarship of \$1,000 is available to a High School Senior graduate of a State of Alaska certified High School Program or with the equivalent of college entrance requirements.

## **ELIGIBILITY:**

The student must be a graduate from any Alaska High School. The recipients may accept another scholarship of equal or greater value in their own local area. Must have completed a minimum of his/her senior year in residence and at an Alaska High School.

## **BASIS OF AWARD:**

Citizenship shall be a primary requisite. In addition, leadership and financial need, a good average, all-around student, with a desire to further his/her education shall be considered.

## **METHOD OF SELECTION :**

A committee consisting of educators, and a member of the VFW Auxiliary will select the State winner from all winning applicants submitted from each Auxiliary in the State of Alaska. An alternate recipient shall be selected should the Department winner decline due to unforeseen circumstances.

## **APPLICATION PROCEDURE:**

Application shall be in letterform along with the Vicki Webb-Nelson Memorial Scholarship Application Form addressed to the Auxiliary to the VFW in the local school's area and contain the student's reason for pursuing a course of study in higher education or learning, and financial reason, if applicable. All letters shall be confidential, to be considered by the local judges, and the committee on the Department level. The winner must be given the name and address of the Department Treasurer so that the school may confine, by letter, the enrollment of the winner. The Department Treasurer will then issue a check to the school in the winner's name.

## **DEADLINES**

Each Auxiliary sets a deadline on a local level to judge entries before forwarding them to a Department (State) Chairman. Deadline for Auxiliaries to send the entries to the Department Chairman is March 1<sup>st</sup>. The Department Chairman must have the entries judged by April 1<sup>st</sup> with the winners announced by April 15<sup>th</sup>, without exception.
